Impactful Corporate Gift Collections 2026

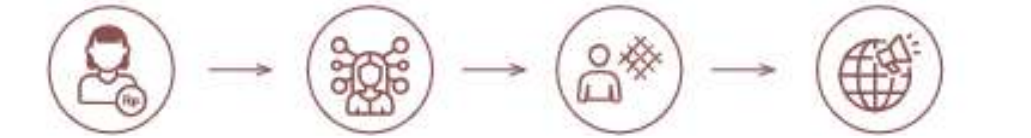

“Authentic corporate gifts with powerful message”

Empower Women, Promote Culture, and Improve Livelihood

Founded in 2014, Du Anyam is dedicated to bringing social impacts for women weavers in remote areas of Indonesia. With a focus on women empowerment and heritage preservation, our community now consists of 1600+ skilled weavers with a global presence through local handcrafted goods.

Empowering women through a new source of income generation

Limited income generating options

Leverage & upgrade pre-existing skills productively

Connect markets through development of product. logistics, marketing & technology

By purchasing handwoven products crafted by our women weavers, you have contributed **significant social impacts** to those who need it the most.

Enjoy our **modern collections** with **natural aesthetic, infused with a mission in women empowerment** - each piece you'd be proud to send as a representation of your brand or company.

DU ANYAM

Pijar Pertiwi Series

CORPORATE GIFT SET COLLECTION 2026

Handwoven from purun, a natural fiber that grows in Indonesia's peatlands, Pijar Pertiwi brings together timeless design and meaningful craftsmanship.

A thoughtfully curated gifting collection that celebrates the beauty of nature and the hands that bring each piece to life.

sales@duanyam.com | duanyam.com

Embark on a journey towards meaningful social impact with Pijar Pertiwi Series, a corporate gift set collection handcrafted by women weavers in rural areas.

This elegant collection not only guides you in supporting culturally-rich local crafts but also fills you with the spirit between nature, tradition, and the communities whose livelihoods are intertwined with this craft.
